

Pricing for Room Hire & Community Space

We are so excited to bring a Community Centre to the people of Flagstone. We want this to be a thriving place for groups to meet, social services to be delivered and people to feel welcomed and loved.

However, the cost of running a centre is not cheap – and we need to cover some of our weekly costs (rent, phone, electricity, wi-fi, consumables).

So – here are the pricing for rooms. If you or your group are genuinely not able to pay, please talk to Management.

All consulting rooms and community spaces have access to the communal kitchen (tea / coffee / biscuits), air-conditioning, wi-fi, printing, bathrooms and management care. We will advertise your event or service on our webpage and Facebook pages.

We are very flexible with furniture, AV equipment and resources needed by service providers and community groups. Please ask if you require something different or would like space to keep items at the centre.
